1. This action is in response to the After final amendment filed May 11, 2004.

Response to Amendment

2. It has been noted that claims 1-25 are cancelled. Thus claims 26-35 are pending in the application.

Examiner's Amendment

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Burnham on May 27, 2004.

The application has been amended as follows:

In the claims:

Page 5, claim 32, line 3, the words "initiating play of the game of chance" has been replaced by --initiating play of a game of chance--.

Page 5, claim 33, line 3, the words "initiating play of the game of chance" has been replaced by --initiating play of a game of chance--.

Allowable Subject Matter

4. Claims 26-35 are allowed over the prior art of record.

Art Unit: 3713

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance: upon extensive searches of system and method for saving status of paused game of chance, the Examiner respectfully submits that the prior art of record fails to disclose a method of conducting a game of chance on a gaming machine, comprising "if a status of a game of chance meets predetermined criteria, unlocking an otherwise unavailable feature in a secondary or different game of chance such that the feature is available to the player" as recited in independent claims 26, 28, 32-35.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
